

# Surgery Instructions

Now that your surgery has been scheduled at St. Croix Regional Medical Center, there are some important instructions you need to follow carefully. Please contact the Perioperative Nurse Educator if you have any questions.

Your surgery is scheduled for:

DATE OF SURGERY: \_\_\_\_\_

ARRIVAL TIME: \_\_\_\_:\_\_\_\_ AM PM

*Your procedure time may change due to cancellations or scheduling changes. You will receive a call the day before your procedure to confirm your arrival time.*

The Perioperative Nurse Educator will call you 1-2 days before your surgery and tell you what time you need to arrive for surgery. If you have questions, please call 715.483.0533, *option 1*.

If you doctor at St. Croix Health, a surgery scheduler will assist you in scheduling your preoperative history and physical with your primary care provider.

If you doctor outside of St. Croix Health, the St. Croix Health scheduling department will provide you with a preoperative instruction sheet to take with you to give to your primary care provider. You must schedule your appointment with your primary care provider to be seen seven (7) - ten (10) days prior to your surgical date. Your preoperative history and physical will need to be faxed back to us at 715.483.0519.
