

CroixCares

Even as everyone spends more time at home, we know that life still happens. St. Croix Regional Medical Center wants to help you continue to live a healthier, happier, and longer life.

Introducing CroixCares, SCRMC's Virtual Health Platform.

Through this technology, we will be able to see you for everything from allergies to medication checks and sinus infections to rashes. The best part is we can do this all from the comfort of your favorite chair.

Our Providers. Your Home.

Follow these 3 Simple Steps:

1. Call to schedule your appointment: 715.483.3221.

2. Watch for your confirmation email with appointment instructions and link.

3. Fifteen minutes before your scheduled appointment, a nurse will call to review medications and help begin the appointment.
