Your Opportunity to Make a Difference

Do you believe in the power of healthcare to change lives? Are you passionate about strengthening your community and making a lasting impact? Now is your chance! St. Croix Health Foundation is looking for dedicated, compassionate leaders and driven, task-oriented individuals to join our Board of Directors.

This is more than just a seat at the table—it's an opportunity to shape the future of healthcare in our community. Whether you excel in strategic leadership, have a gift for project execution, thrive at building relationships, or bring expertise in finance, fundraising, or event planning, we need your voice, your skills, and your commitment to action!

About St. Croix Health Foundation

At St. Croix Health Foundation, our mission is simple yet profound: to improve community well-being by building philanthropic relationships to support the mission of St. Croix Health. As a nonprofit 501(c)(3), we are committed to:

- Enhancing healthcare access to ensure everyone receives the care they need
- Advancing community well-being for a healthier tomorrow
- Sustaining St. Croix Health to ensure high-quality care remains available for all, close to home

How We Make an Impact

Healthcare organizations nationwide are facing financial challenges as expenses outpace reimbursement costs. Now, more than ever, foundations are becoming a pillar of sustainability for healthcare organizations. We are actively working to build meaningful relationships and secure vital funding through donations, grants, stipends, and bequests to support the future of St. Croix Health. Our efforts are expanding, and we are laying the groundwork for transformative initiatives that will strengthen healthcare in our communities for years to come.

Why Rural Healthcare Matters

Healthcare should not be a privilege—it is a necessity. St. Croix Health Foundation serves Polk County (WI), Burnett County (WI), and Chisago County (MN), ensuring that rural communities have access to the care they deserve. Rural healthcare is about more than just hospitals—it's about people. Your support helps us:

- **Deliver compassionate, high-quality care** close to home
- **Invest in infrastructure and equipment** to keep our facilities state-of-the-art
- **Sustain essential services** that our community relies on every day

Board Commitment

Serving on the St. Croix Health Foundation Board is an opportunity to lead, guide, and drive meaningful change. Our board members commit to:

- **Board Terms:** A three-year term with the opportunity to renew.
- **Meetings:** Attending one board meeting per month (approximately 1.5 hours).
- **Subcommittees:** We encourage participation in a subcommittee to engage in the work and join in the fun!

As a board member, you will:

- **Lead and Guide:** Attend monthly meetings to help shape the foundation's future direction and ensure alignment with St. Croix Health's strategic goals.
- **Take Action and Drive Impact:** Lead or contribute to specific projects and initiatives that advance the foundation's mission.
- **Support Fundraising and Outreach:** Strengthen donor relationships, connect with community partners, and champion fundraising efforts to support critical programs.

Join Us—Be a Changemaker!

Serving on our board is more than a commitment—it's a calling. If you're ready to be part of something bigger than yourself, to change lives, uplift communities, and build a healthier future, we want to hear from you.
