

The Latch: 2026 Schedule and Extras

The Latch

The Latch is a moms' group that meets weekly. The purpose of the group is to offer moms an opportunity to meet with other mothers, weigh their babies, learn about breastfeeding or infant care, and ask questions from the lactation consultant who will be leading the group.

No registration is required to join this group on Tuesdays from 10:00 to 11:00 AM. From June through September, The Latch meets at the Lion's Park in St. Croix Falls, WI, weather permitting. Beginning in October or if weather does not permit, meetings will be held in the Riverbend Conference Room in the lower level of the St. Croix Regional Medical Center in St. Croix Falls, WI.
