

Employee Giving Campaign

Stronger together.

St. Croix Health team members support one another and our patients, families, and communities in countless ways every day. Now, we're inviting employees to learn about another way we can make a difference together—the St. Croix Health Foundation.

The Foundation exists to support the mission of St. Croix Health and help make a difference in the care we provide, the people we serve, and the communities we call home.

What is the Foundation?

The St. Croix Health Foundation has been supporting St. Croix Health for more than 40 years. Through charitable giving, the Foundation helps fund projects, programs, equipment, scholarships, and other needs that benefit our patients, employees, and the organization.

You may have already seen the Foundation's impact without realizing it!

Foundation support has helped provide equipment such as ultrasound technology and a bladder scanner, funding for scholarships, furnishings at the Frederic Clinic, Praxis wheelchairs, COVID-19 testing supplies, the Steady As You Go program, and more.

The Foundation belongs to all of us.

What is Employee Giving?

Employee Giving is an opportunity for St. Croix Health employees to voluntarily support something they are already connected to and invested in. When employees participate together, even small gifts add up to meaningful support. Employee giving is about **participation and community**—not the size of someone's gift.

You can make a **recurring gift** or a **one-time contribution**. We encourage you to make your gift through payroll deduction, but you may also donate by check or credit card.

Choose where you would like your gift to make an impact:

- **Employee Compassion Fund** — Supports employees who experience unexpected financial hardship.
- **New Campus Walking Trail** — Supports the development of a walking trail on our new campus.
- **General Fund/Scholarships** — Provides flexible support for St. Croix Health and educational scholarships.

Every gift matters. There is no expected amount to give, and participation is completely voluntary.

We want our community to see how much you care! Every employee who participates in the Employee Giving Campaign, at any dollar amount, will have their name included in the *Employee Giving Circle* on our website.

Learn. Participate. Make a Difference.
